VOLUME II. BERKELEY, CAL., SATURDAY OCTOBER 12, 1895. NUMBER 151

OUR CITY DADS.

APPOINT AN ASSISTANT SUPERINTENDENT AND

Authorize the Purchase of a Horse and Cart Other Necessary Business.

At 8:04 o'clock President Richards called the Board to order, and when the clerk went over the roll Trustees Martin and Cripps failed to answer, either personally or by proxy. A few minutes later these gentlemen entered, took their seats and made themselves ready for a midnight session. The President announced the presence of William Carey Jones, the new member, elected at the last meeting of the Board to fill the vacancy caused by the resignation of Trustee Rickard. Trustee Jones took the oath of office and then his seat.

The Finance Committee reported the following bills as correct, and warrants for the same were ordered to be drawn:

J. W. Richards	33 33

The electric light committee made a verbal report, making suggestions as to the new arrangement of lights, and parts of it were adopted by the Board. It proposed the use of 30 candle power incandescent lights at street corners in place of arc lights in various places.

Mr. Ashby was called upon to say something in relation to the dedication of portions of Russell street to the town. He expressed a willingness to give the town the property but as there were some trees on the land where the new portion of the street would cut through, he did not wish to make the deed until after the rainy season set in when the trees could be taken up and removed elsewhere. He finally decided to make the deed immediately upon the consideration that he should be fully protected in his reservation. The length of the land to be deeded to the town is 540 feet, extending from Hillegas street to College avenue. Mr. Ashby thought that there need be no haste in constructing the sewer as next summer would be ample time for it.

The Street Committee wanted further time on the matter appertaining to Prospect street. This created a discussion about diverting the water course from its natural run. This channel was property on Dwight way.

Attorney Hayne was appealed to for an opinion as to the right of the Board of Trustees to divert a water course from the natural channel. He stated that it was in the power of the Board to do it but if any damages should arise from it the town would be liable.

Trustee Martin expressed himself as being opposed to the grading of streets without they were to be immediately macadamized. If the latter was not done as soon as the grading was performed there was almost a certainty that the dirt would wash out and the work would have to be done over again at an extra expense to the property owners.

Professor Lawson addressed the Board. He stated that a petition was presented to the Town Board last spring and the understanding then was that as soon as Dwight way was macadamized the work under present contemplation would be passed upon. He claimed that the street should be put in order so that it could be used instead of the town's using his private property for a roadway as is being done at present. A majority of the people on the street had petitioned for it and the request was a reasonable one. The people in that section are too poor to pay for macadamizing now but he thought that in two years from the present time they would be better able to have the improvement made. For the proper construction of the work it should be referred to a competent engineer. Upon taking a vote it stood four to three for going through with the work already started.

The matter of macadamizing San Pablo avenue by private contract then came up.

The Oakland Paving Company have a contract signed by the property owners to all of the property from the south side of Dwight way to the north line of Mason street, except a strip of one-half of the lower end of the street as mentioned above. This leaves about two blocks at the south end to complete the whole distance. It appearing to the Trustees that this was the best that could be done under the circumstances they concluded to grant the petition and it was so ordered. The Oakland Paving Company will start on the work next Monday and complete it as soon as possible.

Upon a call the superintendent of streets submitted his report as follows:

Your Superintendent of Streets begs leave to report as follows: The Lorin Chemical Engine referred to me to be removed to Columbia Engine house, has been put in Corporation Yard as I deem it a safer and better place for it and also because there is practically no spare room at the Columbia house.

The Alameda Water Company have inspected the hydrants in West Berkeley and report them all in condition with one exception and that will be attended to. The hydrants at the corner of Bancroft and Shattuck avenue on a 6 inch main is a 2 inch hydrant and is almost useless and should be replaced by a 4 inch corportion. I would ask to have this done; also the one on Allston way and Ellsworth street is absolutely useless. I would ask that this one be replaced by a 4 inch corporation.

I would also ask your Honorable Board to allow or authorize the purchase of these globe valves to be used on hydrants that are put to an excessive use for sprinkling purposes. These valves will, I am convinced, very materially save the hydrants.

Some time ago your Superintendent of Streets petitioned your honorable body for a horse. There is and always will be plenty of work in Berkeley to which a horse and cart can be put, and I would once more ask your Honorable Board to authorize its purchase.

The cart can be purchased for $52.50 and horse and harness for about $60. I ask for this because I find it very expensive to hire a man, team and wagon by the day or job and am confident that it will be money well spent.

I submit herewith a letter and a plan of work contemplated by the Southern Pacific Railroad at Berkeley station. They wish to get permission of the town to cut off what has been used as Addison street by extending the curb line on the north and south to connect with the curb line from the south side at a point about 20 feet south of the south line of Addison street and macadamize a street 40 feet wide, not including sidewalks as shown on plan. They will allow this street to be used as a street but I am not advised as to whether they will dedicate or deed it for that use or not.

I also submit a letter from the Standard Soap Company for your consideration, in regard to bulkhead at foot of Bancroft way.

Herewith is also submitted three receipts which were given for work done on a sewer connection from a house outside of the charter line of Berkeley and a receipt from the town for $60 for the privilege of making the connection. A sewer has now been built by the town and the people ask that the $60 be expended therein.

G. H. CHICK,
Superintendent of Streets.

The town marshal reported having collected from licences and other sources the sum of $502.75. The report was received and placed on file.

The poundmaster reported having impounded eight horses and three cows; also thirty-two dogs, and had killed thirty. Money received $20.

Upon motion of Trustee Martin the President of the Board and the Superintendent of Streets were given authority to purchase a horse and cart at a price not exceeding $125, for the use of the Street Superintendent. Trustee Durrell opposed the expenditure, on the ground that a more economical arrangement could be made. He was in the minority.

Extra valves were wanted for the hydrants. Trustee Martin thought it would be as cheap to put in new hydrants as to put in the extra valves. The Board concluded to refer the matter to the Fire and Water Committee with power to act. Two new hydrants were ordered to be purchased to be located under the direction of the Superintendent of Streets.

A communication was received from parties on Blake street in which it was stated that by order of the Town Board they had been compelled to pay $60 for the privilege of connecting with the Blake street sewer, although they were beyond the town limits at the time. Now another sewer has been built, and they are required to connect with that. It was considered nothing more than justice to have the $60 refunded. It was referred to the Street Committee to report at the next meeting of the Board.

A special committee was granted further time to report upon the matter in relation to Bancroft way.

A petition of the property owners on Derby street was presented, asking the privilege of entering into a private contract with Mr. M. Murphy for the construction of a sewer on that street. There were only two owners of property who had not signed. He agreed to construct the sewer and pay all bills that had accrued upon the work to date. The petition was granted.

A petition was also presented for a sewer on Wheeler street.

A petition for a sewer on Fulton street, between Russell and Ward streets, by the property owners was granted.

A verbal report was made by Commissioner M. L. Hanscom upon the proposition of Mr. Klug concerning the opening of Seventh, Eighth, Ninth and Tenth streets. He gave the whole history of the case from the time the Commissioners commenced their work up to date. It appearing satisfactory to the Trutees they declined Mr. Klug's proposition. It is thought that the whole matter will soon be arranged and thus save money to all parties concerned.

A communication was received from the Health Officer and it was placed on file.

A protest was received against the opening of Grove street.

The protest against opening Harmon street was ordered to be heard at the meeting of the Board two weeks from this evening which is the night of the regular meeting.

W. G. Sanborn filed a protest against the laying of a cement sidewalk on the west side of Shattuck avenue between Berkeley way and Vine street. This involves the legal question as to whether after a sidewalk has just been put down the Board has the right to order it taken up and another of a more expensive kind be put in its place at the expense of the property owner. The protest was referred to the Street Committee. Mr. Sanborn who owns lot 14 in block 42, filed another protest, which took the same course.

S. C. Wright asked permission to lay a sidewalk on Delaware street west of Grant street.

George Stutt asked for an extension of time on his contracts on Ellsworth and Grant streets. Granted.

A communication was received from the Standard Soap Company calling attention to the damaged condition of the bulkhead at the foot of Bancroft way and asking that it be repaired.

Trustee Durrell, of the Street Committee, said it was in a bad condition and he thought that if bolts were put through the timbers and extended from one side of the street to the other it might hold it together for awhile.

Engineer Huggins was called upon and he said that the bulkhead was of no good whatever. It was built against his advice and just so much money was thrown away. It would be throwing more good money away to make any repairs upon it. (When this was built it was supposed that the adjoining property owners would make a continuous bulkhead along the line of the beach and thus all of the property would be protected. It was not done, however.)

The matter was referred to the Street Committee and the Superintendent of Streets. The communication was received and ordered to be placed upon file. Another communication was received from the same party of the same purport and took the same course.

John Wiemans asked for further time to make an application for a saloon license.

Captain J. T. Morrison submitted a proposition to sell a lot on Sherman street for $6000, for the purpose of erecting a High School building upon it.

The Oakland Consolidated Electric Railroad Company, by A. K. Grim, Superintendent, asked permission to erect two public waiting rooms, one on the corner of Center and Grove streets near Strawberry creek and one at Dwight way and Grove streets, for the benefit of the traveling public in wet weather. The work to be done under the town's supervision. The request was granted.

A communication was received from M. T. King, formerly Town Engineer. In it he said, "It is reported that I have taken a map from the Engineer's office belonging to the town. It belonged to me." He made further explanation which satisfied the Board of Trustees and they ordered it to be returned to Mr. King, he having deposited it with the President.

A letter was received from Mr. Jacobi of the Sunset Telephone Company stating that he had placed the telephone, called for under a franchise, as directed by the Board.

A communication was received in which was stated that the gutters on Shattuck avenue and Adeline street were not correct and in consequence Mrs. Heyer's property had been damaged $1000. The letter was signed by Knowlton A. L. Heyer. It was referred to the Town Attorney, Street Committee and Town Engineer.

A communication was read to the effect that the duties of the Superintendent of Streets were two laborious for one man to perform and it was necessary that he should have an assistant.

Trustee Martin thought the request should be granted, as under the Charter the Superintendent's salary could not be raised so that he could pay an assistant out of his own pocket.

J. W. Striker, formerly Town Marshal, was nominated for the position. This action created a somewhat heated discussion. Trustee Hoff and Durrell wanted the matter laid over until the next meeting. Trustee Hoff said the business was cut and dried, to which language Trustee Martin took exception. Notwithstanding the strenuous objections of Trustee Hoff and Durrell the election was forced through by a vote of four to three. Trustees Gage, Durrell and Hoff voting against it, and Jones, Cripps, Martin and President Richards voting for the only candidate nominated. The salary was then fixed at $75 per month.

Property owners on Sacramento street asked permission to lay a sidewalk six feet wide. Referred to the Street Committee.

President Richards, in referring to the recent raid on places where liquor

COLONEL MENDELL

WAS RETIRED TODAY BY THE PRESIDENT.

Miss Cunningham Will Give Some Startling Testimony in the Durrant Case.

Special dispatches to the GAZETTE.

He Is Retired.

Washington, Oct. 12—Col. George H. Mendell, a member of the army, was retired today he having reached the age of 64 years. He was division engineer for the Pacific Coast.

Durrant Afraid.

San Francisco, Oct. 12—A sensation is expected in the Durrant case on Tuesday next, when Miss Carrie Cunningham, the Chronicle reporter, who has had numerous interviews with Durrant, is expectsd to take the stand and testify that on one of these occasions Durrant told her that he had seen the body of Blanche Lamont on the second landing of the belfry and that she had been murdered by two men, and that he also told her and showed her an envelope upon which was written "To be opened in case I am convicted, or to be returned to me if I am acquitted." Durrant stolidly maintains that if Miss Cunningham goes upon the stand and testifies to that effect, that she will be committing perjury. He says that she is a spy for Captain Lees and that he is afraid of her. He says that all of her statements are lies, made out of whole cloth. Jailer Sattler says that he takes no stock in Miss Cunningham, and says that he believes Durrant's story.

Mrs. Stanford Wins.

San Francisco, Oct 12.—The United States Court of Appeals has decided in favor of Mrs. Stanford. The decision was given on an appeal taken from that rendered by Judge Ross, sustaining the demurrer of Mrs. Stanford in the suit against her for $15,000,000 which it was alleged was due the government from her husband's estate on account of the Central Pacific Railway bonds. The case will be appealed at once to the Supreme Court of the United States.

To Go It Alone.

New York, Oct. 12.—Rev. C. H. Parkhurst has left the Good Government young men to go it alone in this campaign. In a puplic statement made last night he said: The Republican Coalition ticket is furnished all decent men and voters a rallying ground, and that if they would all work shoulder to shoulder the cause will be gained and the enemy worsted."

San Francisco Notes.

San Francisco, Oct. 12.—The Supreme Court today rendered another decision against Alvinza Hayward, denying his application to prohibit Judge Hebbard to try the Hale and Norcross case. The application and supplemental proceedings were denied. If his petition had been granted the defendant would have been called upon to pay more than $26,000, for which judgment is already entered.

The steamer City of Pekin left today for China and Japan carrying a large amount of treasure amounting to $800 000 in silver and Mexican dollars.

Cannot Fight There.

San Antonio, Texas, Oct. 12.—Corbett received a telegram late last night from the Governor of Arkansas, notifying him that he cannot fight in that State. Corbett is now convinced that the fight cannot be pulled off at Rock Springs.

Improved Fruit.

Orinda Park has developed this season the fact that first class fruit can be grown there. The apples raised this year have been as good as any grown on the Pacific Coast. The cooking apples are hard, juicy and sufficiently acid to make them as good to use as the New England product. Other kinds of fruit not only grows there in profusion, but of excellent quality. This is progress of the best kind.

A Passenger Ferry.

The large amount of freight now being transported from Berkeley to San Francisco and vice versa warrants the placing on the route of a larger and more commodious boat. It should be one that will have the privilege of carrying passengers. At present there might not be a very great amount of travel, but it would be the nucleus of a coming ferry, which the town is getting in need of more and more as times go by.

Orange Blossoms.

Another of Berkeley's fair daughters has been wooed and won for a wife, and has gone to another portion of the State to reside.

The wedding took place last evening at the residence of the bride's parents on Bristol street, which was handsomely decorated for the occasion. At 8:15 o'clock Miss Georgia, eldest daughter of Mr. and Mrs. B. I. Turman, entered the parlor upon the arm of her father, who gave her into the keeping of Mr. T. J. Hampton of Lorin, her future husband. The couple were attended by Miss Mary Penwell as bridesmaid and Mr. L. S. Rodgers of Lorin as best man.

When the wedding party had reached the center of the room it was met by the groom and Rev. McClure, of the Episcopal church of Oakland, who in a solemn manner read the beautiful and impressive marriage service of that church, and then pronounced them husband and wife.

Only a few of the most intimate friends witnessed the ceremony, as follows: Mr. and Mrs. B. I. Turman and family, Mrs. Jas. Paine, Kathie McCraith, L. S. Rodgers, Miss Mary Penwell, Charles Paine, Etta M. Wise and Fred Paine.

The young couple left for San Francisco amid a shower of rice after the ceremony, and left this morning for Los Angeles, where they will make their home.

Very Unjust.

Mrs. Belnot called at the GAZETTE office yesterday in relation to the statement published in the Advocate about the burial of her child in a soap box. She says that the statement was unqualifiedly false. That a casket was obtained from Mr. Rod Cameron of the West Berkeley Undertaking Parlors, and the child was buried in accordance with her means. That she was not injured by the accident which happened while going to the cemetery and that her husband treats her kindly as a rule and that she has a larder well supplied.

It is unfortunate that some papers will allow such misrepresentations to be published particularly when a woman is to be hurt by it.

Latter Day Saints.

Elder Daley of the Reorganized Church of Jesus Christ of Latter Day Saints will preach again tonight in the kindergarten school, but tomorrow night, Sunday, there will be no preaching.

He will commence again Monday night and will continue four or five more nights. Wednesday night he will speak upon that book which is considered, by nearly all those who have not examined it, the book of Mormon. He will show that it was to come forth according to the prophesies in the bible. All lovers of truth are invited to come and examine for themselves. Bring your bibles.

TOWN OFFICIAL PAPER.

SATURDAY, OCTOBER 12, 1895.

A CLEAN BILL.

That the Manufacturers' and Producers' Association have done and will do an immense amount of good to the State of California, in the way of having all goods of home manufacture, every one will agree to.

Their work has been so effective that many of the home manufacturers are constantly placing their grievances and claims before the association for examination and assistance.

While these mechanics and producers are asking that their different kinds of business may be protected and assisted, would it not be well enough for them to take a little closer look into what they are doing themselves to carry out the end so much desired.

It is a notorious fact that in the war against Chinamen that many of those who have spoken so loudly against this race, and not without cause, quietly patronize them at their back doors when they come around peddling vegetables and fruits and come for the regular weekly wash and also purchase from them wearing materials, such as shoes, children's and women's dresses and many other things.

Now in the same way do not the people who ask for assistance act contrary from what they wish done by them? In other words home labor should be performed by home men. By that is meant that labor should be done by citizens of the United States who spend their earnings for clothing and living in the places where it is paid to them. It is an old saying that "it is a poor rule that does not work both ways." When a party makes a complaint to the Association a committee of that body should look into the matter and see if the complainant is living up to what he wants the Association to do. Perhaps there may be leading men in this body who push the right hand forward and keep the left hand behind them.

It is a matter well worth looking into and public attention is now called to it as it does not appear that any action in this line has ever been taken.

ABOUT BONDS.

The question of bonds is agitating every property owner in the town just at present. Some of the citizens want from $100,00 to $150,000, while the majority want $75,000 or $80,000 bonds, simply for the purpose of building grammar and primary schools. Now the question is how can these different elements be harmonized so that the grammar, primary and High School can be built. The editor of the GAZETTE has been trying to think out a plan for several days and yesterday after interviewing a number of prominent citizens in West Berkeley, South Berkeley and East Berkeley upon the subject, he found a way out of the difficulty, and it is now presented to the public. It is the opinion of those spoken to that if the Board of Trustees would call for bonds to the amount of $200,000, $125,000 to be used for primary, grammar and High schools, and $75,000 to be used for the purpose of condeming or acquiring the wharf at the foot of University avenue, and extending the same out to deep water, so that any vessel or ferry boat could land, and the building of warehouses and slips, the bonds would be voted for without a dissenting vote.

This plan recommends itself to the public and it is one that should be looked into by the taxpayers of town. If the town owned the wharf and it was out to deep water, the tolls alone would pay the interest on the bonds, and large vessels would dock here instead of San Francisco, where the dockage is so high that vessels are compelled to unload on lighters out in the bay rather than pay the amount charged them. If there was such a wharf there would be passenger and freight boats making regular trips from here. This would mean an increase in our population and the building of many new homes. It would also mean more business for the town and consequently increased prosperity.

It is only a matter of time before the town will have to own its own wharf and why not now? The people are willing to vote bonds to the amount of $2000 for this purpose and for the schools. We suggest that our Trustees give this matter their consideration, and when they make a call for bonds make it for the amount stated above and for the purposes therein enumerated and the matter will surely carry. Our columns are open for a free discussion of this matter and we hope that the people will explain their view upon the matter.

For Sale.

Very desirable property in San Benito county, only 2 1-2 miles from the town of San Benito. This land is well watered and would make a splendid fruit ranch, or for dairying purposes it is unsurpassed. This land is placed upon the market at the remarkable low price of $6.50 per acre. Easy terms can be arranged by applying at once to G. D. Smith, Dwight way station, Berkeley. 118

Courtney

Has now in stock a new supply of umbrellas which will be sold cheap at his factory, 470 Thirteenth street, Oakland. Repairing in parasols and umbrellas done in a most workmanlike manner. 132

There is one thing in this world that in order to give satisfaction has got to be perfect, and that is a photograph. Naturally the artist who is thorough in his business and produces perfect pictures gets the trade. This accounts for the immense business done by Evans, the photographer at 1065 Washington street. He takes the finest cabinets in the land for $3 per dozen and has a large Berkeley patronage. 102

Whoa, Thar!

And step into Schmidt & Zehner's in the Shattuck Block and inspect those bread and cake knives that they sell for 50 cents. If you need any hardware, bird cages, pocket knives or tacks for bicycles. They have them. Call for anything in their line, and it will appear. 110

Now is the time to buy your cloaks, capes and suitst By purchasing $15 worth of goods at our establishment we will present you, free of charge, with an order for one half dozen Haussler's photographs. PalaceCloak Co., 1009 and 1011 Washington street, between 10th and 11th streets, Oakland. 146

If you want to purchase gents' furnishing goods, children's toys, cigars and tobacco, why, go to Abraham Cohen's on San Pablo avenue between Alcatraz and Dalton street, Golden Gate. He sells as cheap as the city. 137

A blind young girl, gifted test and business medium, answers questions and can be consulted on all affairs. Sittings daily, 50 cents. 1613 Sixth street, near Holyoke street, West Berkeley. 139

To The Taxpayers
—OF THE—
Town of Berkeley

THE Taxpayers of Berkeley are hereby notified, that the taxes on all personal property, secured by real property, and the first installment of the tax on all real property, will be due and payable on the

First Monday in October 1895,

and will be delinquent on the

Last Monday in November

next thereafter, at six o'clock p. m., and unless paid prior thereto, fifteen (15) per cent will be added to the amount thereof, and if said one-half is not paid before the

Last Monday in April

next at six o'clock p. m., an additional five (5) per cent will be added thereto; and the remaining one-half or second installment of the taxes on all real property will be payable on and after the

First Monday in January 1896,

and will be delinquent on the

Last Monday in April 1896,

at six o'clock p. m., and if not paid prior thereto five (5) per cent will be added to the amount thereof.

Taxpayers are requested to examine their bills and **be sure that all their property is described therein;** and if they choose can pay both installments at the time the first installment is due and payable.

All taxes will be paid at the Tax Collector's office 2108 Shattuck avenue, (opposite Berkeley station,) which will be open during the month of October after the 8th from 8:30 a. m. to 5 p. m. (Sundays excepted) and during the month of November up to and including November 25th, from 8:30 a. m. to 6:00 p. m. (Sundays excepted) after which latter date the first installment of the taxes will be delinquent.

The taxpayers are respectfully requested—when convenient—to pay their taxes early and by so doing avoid a crush the last few days.

Signed;
JOHN SQUIRES,
Tax Collector Town of Berkeley.

was kept at East Berkeley stated that Marshal Lloyd had carried out the ordinance in good shape, and deserved praise for it. He stated that the Marshal desired a guard appointed to watch the property seized while it was in the Town Hall. The President was given authority to appoint a special watchman.

D. Lambert proposed to macadamize Kittredge street for 7 1-2 cents per square foot and pave the gutters for 8 1-2 cents per square foot. J. C. Estey proposed to macadamize it for 6 7-10 cents per square foot and pave the gutters for 8 1-2 cents per square foot. Referred to town engineer.

Four bids were received for grading and curbing Kittredge street. George Stutt bid 24 cents and 9 cents respectively. K. G. Easton and W. J. Schmidt made a tie bid. J. M. Creed bid 30 cents and 9 cents.

Fulton street sewer was let out by private contract. Bids were received from A. Cross and J. M. Creed, F. M. Cuff and L. J. Huggin for side and crosswalks on Deakin street. George Schmidt. Oakland Paving Company and D. Lambert bid on macadamizing Shattuck avenue.

George Stutt, K. G. Easton, W. J. Schmidt and J. M. Creed bid on grading and curbing Walnut street. J. J. Dunn, J. C. Estey and D. Lambert bid on macadamizing and guttering Walnut street. B. Knott bid on Deakin street for sidewalks and crosswalks.

A. Cross, J. M. Creed and J. L. Hackett bid on cross and sidewalks for Alcatraz avenue. All of the bids were referred to the town engineer to decide which were the lowest and he reported later in the evening.

A communication was received from S. J. Salomon and A. F. Fonzo in relation to the eligibility of F. Rawson's holding a position under the town government. Affidavits of the County Clerks of Marin and Alameda counties accompanied the letter. The whole matter was referred to President Richards.

Town Clerk Hanscom was ordered to notify M. J. Shaw in answer to his communication asking for the rescinding of a resolution that an ordinance prohibits what was asked for.

A protest against changing the electric lights on the mast on University avenue was received and referred to the Electric Light Committee.

A resolution was passed rescinding work on San Pablo avenue, it having been let out to be done by private contract.

A resolution was passed appointing a Deputy Superintendent of Streets and defining his duties. J. W. Striker's name and $75 per month was inserted to accord with previous action of the Board. The position is held at the pleasure of the Board.

Eight applications were made for licenses to keep saloon. Those making the applications were Jos. Hirshfeld, Wulfurdingen, O'Brien, Bruns, Tims, D. Duggan, D. A. Landregan and Munday. On being submitted to Attorney Hayne it was found that only three of the first named applications were in proper form. Later on Landregan and Munday made the necessary corrections. Under the ordinance they all had to go over until the next meeting of the Board.

A petition was presented asking that the Railroad company be required to restore Third street into a good condition.

A petition for a sidewalk on Center street from McGee to Louisa was granted. Another on Christiania St. between Hopkins and the town line was granted; also for sewer on Eighth street south of Berkeley way.

The matter of an electric light on Monroe street between Third and Fourth was referred to the Electric Light Committee. Resolutions were passed giving Geo. Stutt 30 days more time on his contract on Ellsworth and Durant streets.

An ordinance defining duties of Health Officer and Sanitary Inspector were passed to print. Trustee Durrell thought that the different fire companies in town should be allowed $5 per month for cleaning hose or taking care of the apparatus, and it was so ordered.

The president appointed Jones and Durrell on the Fire and Water Committee. On the other committees Trustee Jones would take the place of Trustee Richards.

Contracts were awarded as follows: Kittridge street macadamizing and guttering to J. C. Estey. Sidewalk on Alcatraz avenue to A. Cross. Walnut street grading to W. J. Schmidt. Shattuck avenue to D. Lambert. Sidewalks on Deakin street to A. Cross. There being a tie between lowest bids for grading Kittredge street it will be readvertised.

Resolutions establishing grades on Cedar street were passed.

Resolutions adopting specifications for Kelsey and Derby streets were adopted.

The protest of W. G. Sanborn on Lincoln street was overruled. The protest of Sanborn on Shattuck Shattuck avenue was left open.

Resolutions of Intention for sidewalks on Jones and Stewart streets were passed; also for sewers in Wheeler and Tenth streets were passed.

The President was instructed to bring an estimate of the cost of iron or steel vaults for use of officers at the Town Hall at the next meeting of the Board. He was also instructed to notify the Commercial Bank that it would be held blameless if it returned $25 to S. H. Borkheim, which was deposited as a security for entering into a contract with the town.

An order was passed ordering work for grading on Kittredge street to be re-advertised for bids. On motion adjourned.

Presbyterian church, corner of 8th and Bristol streets, West Berkeley, the Rev. J. Hunter, pastor. Preaching services tomorrow at 11 a. m. and 7:30 p. m. Christian Endeavor at 6:30 p. m. A cordial invitation to attend these services is extended to all.
